

1 MOBILE 1 MINUTE 1 FILM

**Send your films before October 12th 2021 on
www.mobilefilmfestival.com**

For the **17th edition of the Mobile Film Festival** — and for the 3rd time in 5 years — we invite you to **create films on climate issues**.

Format: **1 Mobile, 1 Minute, 1 Film**

Theme: ***Making Peace with Nature***

Awards: **€26,000 (\$30,000)**

Making Peace with Nature is clearly an enormous topic, open to interpretation — we hope this gives you great creative freedom for your films. It is also an absolute necessity — our only hope for a liveable future.

To imagine this future, we need to **be inspired by your stories**. Be creative — push boundaries. Submit original films and don't be afraid to approach taboo subjects.

Feel free to tell your story, and **together, let's Make Peace with Nature!**

The Mobile Film Festival Team

How to participate?
